

Dear Parents,

We are very excited to have your child visit us at Sloan's Christmas Tree Village and U-Cut. We are a u-cut-Christmas tree farm with a 120-acre forest that we offer to school groups both before and during our Christmas season. Your child's tour will include an educational talk about our trees and many fun activities such as a train ride, a walk through the forest and a visit to the petting zoo, cedar mazes and Sand Mountain.

Our activities can take place in any kind of weather including extreme cold and light rain, so we ask that children dress in layered clothing and appropriate footwear.

Most classes that visit us have a campfire, and some choose to stay for lunch. If your child's class is having lunch around the campfire, it is best to send something simple to cook such as hot dogs. A wiener in a bun wrapped in plastic works well.

Our tour guides are mature, friendly and knowledgeable. They will work hard to make sure that your children have a fun and memorable experience on our farm.

If you would like more information about Sloan's Christmas Tree Village and U-Cut, please visit our website at www.emeraldacres.biz. After your child's tour, please feel free to send comments to jrsloan@rogers.com. We look forward to seeing your child, and perhaps even yourself for a fun and educational day.

Thank you,

John Sloan
